# Characteristics of Effective **SPARKLE BUSINESS LEADERS**

Picture a leader that you admire. Who came to mind? Most likely, the leader you thought of possesses a set of characteristics that enhances his or her ability to positively interact with and influence people. Effective leaders are able to motivate their teams and increase results by exhibiting key character traits. Leading a team for your Club Sparkle business requires self-reflection from time to time to see if one is effective in their efforts. Reflect on yourself as you read through these key characteristics.

## **EFFECTIVE LEADERS TAKE GENUINE INTEREST IN THEIR PEOPLE**

Club Sparkle was created on unity and teamwork. This is a People Helping People business – and as such, people are our most precious commodity! Remember, people don't care how much you know until they know how much you care. An effective Club Sparkle leader provides support to their teams at every phase of their journey.

## **EFFECTIVE LEADERS ARE COMMITTED TO THE SUCCESS OF THE WHOLE TEAM**

There is a difference between a Boss and a Leader. A Boss will give commands from the top and watch while their team does the work. A Leader will inform the team of the goal and work shoulder to shoulder with them to get the job done. Teams perform better when they see that the person, they look up to is right by their side, sharing in their struggles and triumphs. The "Lead by Example" section in Session Five of Sparkle Academy, encourages to list some ways you can be accountable to your team. Review the things you committed to doing for your team to ensure you are following through on what you said you would do.

## **EFFECTIVE LEADERS ALWAYS SHOW UP WITH A POSITIVE ATTITUDE**

If you're not excited to run your business and support the team, the team will pick up on that. They need to see and feel your high energy levels so they know you're serious about being a success. Energy and enthusiasm are contagious!

## **EFFECTIVE LEADERS HAVE A PURPOSE**

A leader without a purpose guides his team to nowhere. Keeping your personal vision alive (your "WHY") while helping others achieve theirs will bring everyone on board to success. Refer back to the "Personal Commitment Contract" (Sparkle Academy Session Six) that you made with yourself as well as the "Dream Life" (Sparkle Academy Session One) you completed when you became a VIP. Without a purpose, it's easy to forget why you started and give up on yourself and your team. Having a purpose keeps the fire alive when the going gets tough.

## **EFFECTIVE LEADERS CREATE MORE LEADERS**

Duplication is the way to success with Club Sparkle. Your actions as a leader should inspire your team to do as you do. Are your habits worth duplicating? Keep yourself in check to make sure that they are.

Leaders who exhibit these characteristics put themselves in the position to positively influence their teams and create a ripple effect of success. The gift of personal development is a beautiful byproduct of running your Club Sparkle business. When you pursue the necessary skills to become an effective leader, you are sure to live a Life with No Limits!

# **LEAD BY EXAMPLE**

Now that you know the few of many characteristics of an effective Sparkle Business Leader, how will you implement these characteristics to ensure your Sparkle Business is a success?

*"When you think it, it's just an idea. When you commit it to pen and paper... the idea becomes possible."*

**HOW CAN I GROW GENUINE INTEREST IN OTHER PEOPLE?**

**HOW CAN I BE ACCOUNTABLE TO MY TEAM?**

**HOW CAN I MAINTAIN A POSITIVE MINDSET AND ATTITUDE?**

**WHAT IS MY PURPOSE AS A LEADER?**

**HOW CAN I INFLUENCE VIP'S IN MY TEAMS TO BECOME LEADERS?**
